AWARD AND APPROVE AN APPROPRIATION ADJUSTMENT
(ALL DISTRICTS) (4 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Authorize the Sheriff of Los Angeles County, as an agent for the County, to accept a grant award from the U.S. Department of Justice, Office of Community Oriented Policing Services (COPS), in the sum of \$600,000 with no local match required. These grant funds will be used to maintain the Regional Community Policing Institute-Los Angeles' (RCPI-LA) infrastructure and to implement an educational initiative for local law enforcement and the community to address counter-terrorism.
2. Approve a Fiscal Year 2004-2005 Request for Appropriation Adjustment in the amount of \$335,000 to permit the Sheriff's Department to expend the awarded funds.
3. Instruct the Chair of the Board of Supervisors to provide a wet signature on the Grant Award document and the Cooperative Agreement #2004HSWXX015.
4. Authorize the Sheriff to designate the RCPI-LA Director to sign venue agreements for training sessions that are pertinent and relevant to RCPI-LA's goals of this program.

A Tradition of Service

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Los Angeles County Sheriff's Department's RCPI-LA is a recognized leader in conducting successful community policing training and technical assistance to law enforcement agencies and their communities. Due to the recognition, the Federal COPS Office has awarded the Sheriff's Department \$600,000 in grant funding for the RCPI 2004 Integrity Initiative. This funding will allow RCPI-LA to continue its programmatic activities, deliver conferences for local law enforcement and the community on counter-terrorism prevention, and coordinate a new statewide plan for service, as RCPI-LA will become the only RCPI in the State of California. On August 17, 2004, your Board approved submission of the grant application that is now being awarded.

Implementation of Strategic Plan

This COPS grant program supports the County of Los Angeles' Strategic Plan. Specifically, with the support of this funding source, the Department will be able to continue to realize the achievement of Goal #2: Workforce Excellence. It will enhance the Sheriff's Department's RCPI-LA's service excellence through specialized training that is beneficial to our jurisdiction and outlying agencies throughout the State of California.

FISCAL IMPACT/FINANCING

The COPS RCPI 2004 Integrity Initiative will provide \$600,000 in grant funding to the Sheriff's Department. Of this amount, \$335,000 will be expended in Fiscal Year 2004-2005, while the remaining balance of \$265,000 will be included in the Department's Fiscal Year 2005-2006 operating budget. Under this program, the County is not required to contribute any matching funds. The project will fund 100 percent of five (5) full-time staff positions to coordinate, administer, and monitor the grant program. Funding will also be utilized to pay for travel expenses, training consultants, supply costs, and office products necessary to implement the project.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The grant award period is from September 1, 2004, to August 31, 2005, with the ability to extend. The award documents were received from the Federal COPS Office in December 2004. The award documents have been reviewed and approved as to form by County Counsel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This funding will have a positive impact on current services, especially within the Department's RCPI-LA. The funding will allow RCPI-LA to remain intact and continue its successful efforts of creating a forum for information exchange on a statewide level.

CONCLUSION

Upon the Board's action, the Sheriff's Department needs to obtain four (4) individually certified copies of the Board-adopted letter. The Sheriff's Department's contacts for the requested Board action are Michelle Day, Grants Manager, at (323) 526-5212.

Cooperative Agreement # 2004HSWXX015 **Los Angeles County Sheriff's Department**

I. Statement of Authority

This Cooperative Agreement between the Los Angeles County Sheriff's Department, "the Awardee," and the U.S. Department of Justice Office of Community Oriented Policing Services (COPS Office), is hereby entered into under the authority of 42 USC Section 3796 dd (f). The purposes of this Cooperative Agreement are described below.

II. Statement of Background and Purpose

BACKGROUND

Since 1994, the U.S. Department of Justice Office of Community Oriented Policing Services has been the Federal government office whose unique mission it is to directly serve the needs of local law enforcement. COPS is responsible for making grants to states, units of local government, Indian tribal governments, other public and private entities, and multi-jurisdictional or regional consortia. The goals of COPS programs include increasing police presence, expanding and improving cooperative efforts between law enforcement agencies and members of the community, supporting innovative community policing projects, and otherwise enhancing public safety through reductions in crime and social disorder.

The COPS Office has awarded grants to more than 13,000 policing agencies across the country and has provided funding for over 118,500 officers through direct hiring grants and the redeployment of officers through the purchase of time-saving technology and the hiring of civilians. The Office has also funded a wide-variety of innovative policing grants to combat crime and enhance public safety. Innovative grants have included funding to foster collaborative problem-solving between police and community-based agencies or schools, engaging faith based communities, domestic violence response and prevention strategies, 311 systems, anti-gang efforts, and methamphetamine reduction initiatives.

The COPS Office also funds a nationwide network of Regional Community Policing Institutes (RCPIs) to foster training and technical assistance at the regional level. RCPIs are uniquely positioned to provide an array of meaningful training that supports the mission of the COPS Office to local law enforcement and the communities they serve. Additional information regarding the COPS Office can be found at www.cops.usdoj.gov.

PURPOSE

This new funding will allow the RCPIs to continue to address the emerging ethics and integrity issues as well as provide community policing training and technical assistance that helps law enforcement professionals build trust and partnerships with the communities they serve.

In addition to the established programs in community policing, RCPIs funded through this initiative will be called upon to (1) independently identify and respond to emerging ethics and integrity issues, and (2) forecast training needs by monitoring national issues of importance to ethics and integrity.

The programs and products developed and offered under this funding will be firmly anchored in the principles of police ethics and integrity as referenced in the appropriations language given by Congress to the COPS Office centering on enhancing public trust.

III. Scope of Work

For a period hereinafter set forth, the COPS Office and the Awardee will cooperatively furnish the necessary personnel, travel, supplies, and otherwise perform all things necessary for, or incident to, the performance of work (the accomplishment of functional objectives) as set forth below.

A. Specifically, the COPS Office will:

1. Designate a Program Manager to participate in the planning and management of this Cooperative Agreement and to coordinate activities;
2. Provide information and technical assistance from government sources within available resources and as determined appropriate by the Program Manager;
3. Provide guidance to the Awardee in the planning and development of strategies used in the project and in the coordination of the project with law enforcement agencies and organizations interested in contributing their support;
4. Work with the Awardee to implement all requirements of this Cooperative Agreement;
5. Work with the Awardee to assist them in achieving the tasks and objectives in the Awardee's project proposal and implementation plan;
6. Work with the Awardee to achieve a seamless transition in any changes in the scope of the project whether the change is COPS Office initiated or an adaptation to the RCPI's changing customer needs;
7. Review and approve all periodic reports, curricula, training products, conference agendas, conference invitations and invitees and publications; and,
8. Reserve a royalty-free, nonexclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for Federal government purposes: (1) the copyright in any work developed under this Cooperative Agreement, subgrant, or contract; and (2) any rights of copyright to which an Awardee, subgrantee, or a contractor purchases ownership with support from a cooperative agreement. Additionally, the COPS Office may make available for reproduction material produced

under this Cooperative Agreement by any means, including a DOJ website, a hard copy(s), or in electronic form(s), without restriction.

9. The awardee is responsible for acquiring rights for copyrighted material for inclusion in Department of Justice publications that are compiled, written, or prepared under the award, including the payment of required fees. Any copyright holders should be notified that the Federal government reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish or otherwise use and to authorize others to use the publication for Federal government purposes. Additionally, any publication and distribution agreements with a publisher shall include provisions giving the Federal government a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, or otherwise use and to authorize others to use the publication for Federal government purposes. The agreements with a publisher should contain information on the awarding agency requirements.

B. Specifically, the Awardee will:

1. Work closely with the COPS Office and Program Manager to achieve the tasks specified in the Cooperative Agreement;
2. Provide further detail on project plans as requested by the Program Manager;
3. Adhere to the requirements or tasks specified in this Cooperative Agreement and not deviate from them unless requested adjustments are first presented to and approved by the Program Manager;
4. Submit for prior approval or disapproval to the Program Manager any proposed changes in key staff assignments or Governing Board members for this project and any significant changes in any partner's role or responsibilities;
5. Obtain written approval from the COPS Office prior to the expenditure of Agreement funds for the award of non-competitive contracts (including equipment purchases) in excess of \$100,000;
6. Submit one copy of all reports and proposed publications resulting from this agreement twenty (20) days prior to public release. Any publications (written, visual, or sound) or computer programs, whether or not published at government expense, shall contain the following statement:

This project was supported by Cooperative Agreement # 2004HSWXXK015 by the U.S. Department of Justice Office of Community Oriented Policing Services. Points of view or opinions contained in this document are those of the author and do not necessarily represent the official position or policies of the U.S. Department of Justice.

7. Comply with the COPS Office policy on contact with the news media. The policy establishes the COPS Office External Affairs Division as the principal point of contact for the news media for issues relevant to the COPS Office and/or parameters of the Cooperative Agreement. The Awardee agrees to refer all media inquiries on these topics directly to the COPS Office External Affairs Division (202-514-9079);
8. If required, submit all surveys, interview protocols, and other information collections to the COPS Office for submission to the Office of Management and Budget (OMB) for clearance under the Paperwork Reduction Act (PWRA) of 1995;

9. Agree to cooperate with the evaluator if an evaluation of this project is to be undertaken by the COPS Office or a third party and in consultation with the COPS Office, and agree to make reasonable adjustments to programs and activities in recognition of significant points of evaluation or feedback.

10. The awardee will maintain a Governing Board subject to approval of the COPS Office. The awardee will submit any proposed changes in the Governing Board's composition, operating plan, statement of purpose, reporting relationship of the RCPI Director or description of the role of the Governing Board reflecting any change in the role and responsibilities of the Governing Board to the COPS Office for approval.

11. The awardee will provide the services of a dedicated RCPI Director, subject to the prior approval of the COPS Office, as a single point of contact with the COPS Office. The RCPI Director will be responsible for the daily management and operation of the RCPI and the administration and implementation of, and compliance with, this Cooperative Agreement, the approved Implementation Plan, budget and other documents and financial and administrative requirements for this Cooperative Agreement. The RCPI Director will provide the COPS Office fourteen (14) days advance notice of all substantive project-related meetings, conferences, site visits and activities.

12. The awardee will utilize award funds to support a dedicated project staff, for the implementation of program activities, which reports to the RCPI Director. The RCPI Director will be responsible for the daily management and operation of the awardee's staff.

13. The RCPI Director will submit to the COPS Office for review and approval/disapproval any proposed training and technical assistance provider at least fourteen (14) calendar days prior to the proposed date of utilization. The request for approval will include information, such as their vitae, supporting the proposed training and technical assistance provider's demonstrated expertise in training or adult learning that enables them to successfully perform the specific training and technical assistance tasks required under this Cooperative Agreement and the awardee's approved Implementation Plan.

14. The RCPI Director will submit a monthly summary report to the COPS Office (in their designated format), showing the total number of all training and technical assistance completed that month. Each report is due by the fifth (5th) business day of the following month.

15. The RCPI Director will submit a quarterly progress report on the status of all programmatic activity and deliverables to the COPS Office in a format that will be designated by that office. 16. Upon completion of each quarter, the RCPI Director will provide to the COPS Office an updated training calendar. Each RCPI is required to maintain an updated website which contains this training information, plus other relevant programmatic and organizational information.

Award Terms

1. For grants of \$500,000 or more, the grantee acknowledges that failure to submit an acceptable Equal Employment Opportunity Plan (if grantee is required to submit one under 28 CFR 42.302) that is approved by the Office of Justice Programs, Office for Civil Rights, is a violation of its Assurances and may result in the suspension of the drawdown of funds.
